

FEES AGREEMENT 2025-2026 SCHOOL YEAR

I understand that the registration fee is \$75 and is non-refundable.

I understand that the fees for the 4-yr. olds will be \$1170.00 per year. This is called the Pre-K class and meets 3 days/week. The yearly tuition is divided into 9 monthly payments of \$130 each. This payment is to be paid the first school day of each month, Sept. through May.

I understand that the fees for the 2-day classes (Preschool 3's) will be \$900.00 per year. This is divided into 9 monthly payments of \$100 each. This payment is to be paid the first school day of each month, Sept. through May.

**September's payment is due at the time of the Open House/Orientation Mtg.**

I realize that the amounts previously stated may be increased slightly upon review of the preschool budget at the end of this current school year. I will be notified in advance of September if the fees are increased.

*If it becomes difficult for me to make my payment on time, I agree to speak to the preschool director before the month ends.*

*I understand that, if necessary, other payment arrangements may be made with the director to meet my obligations.*

I understand that for my child to begin each new month of school, their tuition for the current month must be paid on time. (Or other arrangements should have been agreed upon.) I will need to keep my child home if payment is not up to date.

I have read this policy statement and agree to abide by this policy. I agree to honor this enrollment as described above. In case I do need to remove my child from the program, I will give two weeks' notice, or pay for that time.

SIGNED: \_\_\_\_\_ DATE: \_\_\_\_\_

The first day of school will be MONDAY, SEPT. 8, 2025
